"Students who come to school every day, behave, and participate – graduate!"

Paraphrased from Balfonz (2007) by the Academic Team

Last Day of School: Our last day of school is on Thursday, June 17th. Dismissal will be a three-hour early release at 10:45am. A sack lunch will be provided.

Chrome Book Return: Just a reminder that Chromebooks, for in-person learning students, will be due tomorrow, June 9th . This means that your student will not be coming home with a Chromebook after this date. For our remote learners, please return Chromebooks after classes on Wednesday, June 16th. ***Please include all chargers and hotspots***.

Kindergarten Registration Now Open Online: Please go to the SCSD website, www.scsd303.org. Under the For Parents tab, Enrollment and Registration. Download ALL needed documents and fill out registration form and customs forms, then summit. Registration is crucial to determine class size and teaching staff. Incoming kindergarten students must be five years old by August 31, 2021.

****Help us spread the word to the parents of our future SES students. ****

Hi-Cap: Referral window opened May 24th and will close June 14th . Please contact your teacher or the office for referral packets.

Dress* Appropriately:** Please send your child with appropriate clothing, coat/jacket/gloves/hat/boots (with name), to wear during our wet, chilly and sometimes very warm movement breaks. *Now that summer is approaching, the afternoons are warm but the mornings are very chilly, so please send your child with a warm jacket and **please NO flip-flops.

Survey: The Title I/Learning Assistance Program (LAP) would like your help to improve our services for next year. If your child participated in Number Talks, Writing Workshop, Reading Groups on-line or in-person, and/or Bullpup Camp, please complete the brief survey using the link below. If you have ideas for improving our program(s), this survey is the best way to let us know!

Survey for Families

HEALTHY HABITS- Free Summer Program for Kids!

Skamania County 4-H is cooking up something fun for this summer! Register now for their free 4-H Healthy Habits Virtual Summer Series for kids ages 5-12. Participants will learn from teen teachers the importance of good nutrition, physical exercise, and we'll even explore plant science and gardening. Families can choose the option that works for them:

- A one week camp with lessons each day (6/28-7/2 from 10-11:30am)
- A once a week series with lessons on Thursdays (7/1-8/5 from 3:30-4:30pm)
- A remote kit with instructions and supplies to work through the activities independently- great for those with busy schedules or internet issues!

Youth who are registered by June 19th will get a free kit of supplies, and at the end of the program all participants who completed the virtual sessions will get a gift certificate to the Farmer's Market!
