Skill of the month: Be Safe

"Students who come to school every day, behave, and participate - graduate!"

Paraphrased from Balfanz (2007) by the Academic Team

EXCITING NEWS!! The Stevenson-Carson School District is migrating to a new website! Check it out: <http://www.scsd303.org>

FIRE SAFETY POSTER WINNERS: Students have been learning about the importance of having a plan with two ways to escape. Rowan Spencer, Avyn Van Duzor, Esabella Backland, Breah Roney, Brysen Campbell, Serenity Taft, Marlee Cole, Amelia Simonis, Jenna Wickersham, and Addison Larson were the talented winners of our annual Fire Safety Poster Contest. The winners were treated with a ride to school in a fire truck. A BIG THANK YOU to the Carson, North Bonneville and Stevenson fire fighters who volunteer their time, and to educate our students in fire safety at our school wide assembly.

FAMILY LIT NIGHT: "Camp Out with Great Books" - Tuesday, October 24th at 6:00pm. Read by the campfire and wear your favorite PJ's or comfy camping clothes! There will be story reading and writing, crafts and of course S'Mores!!!

VISION SCREENING: We need **VOLUNTEERS** for vision screening on Monday, November 13th. If you would like to help call the office at 427-5672.

BUS RIDERS: We are asking students not to spray excessive amounts of perfume or cologne prior to boarding the bus or while riding. We have highly sensory sensitive riders. Thank You.

HALLOWEEN: Each classroom will celebrate Halloween in their own way. A few things that will be similar in **ALL CLASSROOMS:** (1) Children will be provided with something nutritional to eat ... along with some sweets, (2) Costumes (if a part of the classroom celebration) will be school appropriate - nothing too gory and no weapons or makeup and costumes should be something that a student can get on and off independently. No costumes will be worn in the morning or on the bus. (3) Instructional time will still be an important part of the day! **Please watch for a note from your child's teacher to explain the details of that celebration!!**

SES Music in the Morning: You may have noticed that we are playing classical music in the mornings at SES! Listening to, and participating in, music develops creativity and problem solving, and gives students a means of self-expression and understanding of other cultures. Music in the mornings at SES will help begin the day in a positive and enriching learning atmosphere for students, staff and families. This month, listen for music by Ludwig van Beethoven. Beethoven was an 18th century German composer and pianist and is one of the most famous and influential composers of all time.

POOL: Most of you are aware that the Stevenson Community Pool has been reopened after SEVEN whole years! Now is a great time to come and show your support. We are open for recreational swim MWF at 10:30am, and T/Th at 3:00 pm. This is a perfect opportunity for you to have somewhere cheap, fun and SAFE to send your child on early release Wednesdays. We ask that children under the age of 6 be accompanied by an adult, but those age 6 or older are welcome to come play solo, or with friends/family! We offer life-jackets of all sizes, a rope swing, a slide, basketball hoop and TONS of toys. If you're interested in improving your child's swimming abilities, or even improving YOUR technique, we have swim lessons for all ages and skill levels, including parent-child and pre- competitive classes. Feel free to contact myself or the pool at any time with questions/concerns at youngm@scsd303.org.
