A SAMPLE OF WORK BEING DONE IN ARTS AND ENRICHMENT (A&E) CLASSES

Music Notes

News and notes from Mrs. McLarney, music teacher at SES

In music classes, students have begun rehearsing for our upcoming Winter Program. They will be coming home with song packets to practice. It is helpful if students practice their songs at home to make sure they know the lyrics and are prepared to their best.

Mark your calendar for the SES Winter Program, Tuesday December 12th at 6:30 PM. There will also be a dress rehearsal at 9:30 AM that morning that you are welcome to attend. The year's theme is *A Country Christmas with Frosty & Friends*. Students are welcome to wear cowboy boots, hats, flannel shirts, or holiday concert attire.
