Principal Schreiber's Message: Students enjoyed an exciting "Reptile Man" assembly this morning. You may hear information about snakes, a python and an alligator named Lucy. If you are interested in learning more...including a cobra...join us tonight for "The Reptile Man" at CES.

Special thanks to our volunteers for the time and care to clean up the SES Garden this past week. The garden is getting prepared for seeds to be planted by our SES students. Volunteers still welcome.

Reminders:

Mrs. McLarney's Music Notes: SES Spring Program-Tuesday, May 17 at 6:00, SES Gymnasium: K-2 SES Students will be presenting a Spring Music Program on Tuesday, May 17 at 6:00pm in the SES gymnasium. Each class will be performing with their grade level. They will sing traditional sing-along songs, patriotic songs to observe the upcoming Memorial Day holiday, and inspirational songs of the season. We hope you will be able to attend, as students have been doing a great job rehearsing for the program during music classes, and are really looking forward to performing for their families, friends and community. **As a curtesy for all performances, please plan to stay for the entire 45-minute program.**

- Check backpacks for messages &/or class homework.
